## The Children's Museum of Portsmouth

October 13, 2006

Rick Bean General Manager **WTSN** 101 Back Road Dover, NH 03820

Dear Rick:

On behalf of The Children's Museum, I would like to thank you for taking the time last week to attend the museum's Focus Group meeting and share your thoughts on the Case Statement. Your input was most helpful to our planning process for the Capital Campaign.

We will keep you posted on the Museum's progress and look forward to the day when we can welcome you to a new, state of the art informal learning center with more exhibition space and expanded classroom and program areas.

Yours truly,

Peter Hamblett

Campaign Chairman

Hi Lindsey,

It was great meeting you this morning. I was so excited and touched by the generosity of our community. Thank you for all you did in having the Caring & Sharing. This will help be such a blessing to our home bound elderly and disabled clients. Thanks again for all you do.....thanks for being you!

Dear Lindsay,

Please pass along our very grateful thanks for all the work you and others at the radio station put into the Sharing and Caring program that was so very successful this year. I don't know how many agencies you aided with this program, but we are all certainly better off than we were before Monday. Our shelves are full, our pallets at the pantry are full and we actually were able to put some into the off-site storage facility. What a wonderful bonus this is to us.

I've known, for a long time, that people are generally very generous. This program proves it beyond any doubt. The time and effort you and your helpers put into t program certainly paid off for the recipient agencies. Thank you all so very much. As we get ready for the Thanksgiving season, we can all give thanks for you help and generosity.

With gratitude,

Patricia Whitten

Dear Rick.

What a wonderful night we had on October 19<sup>th</sup> at our second annual Mentor for Kids Sake. I wish to thank-you for your support of this terrific fund raising event. It is each person's individual contribution that made the whole of this event so spectacular. We had over 250 people attend and the funds raised exceeded our goal! That is absolutely fabulous.

I hope that you enjoyed our new recruitment video "MENtoring makes better men". If you feel that anyone you know would be interested in a copy of this film please feel free to contact me at (603) 516-2227 ext. 301. We actually recruited several male mentors the night of this event with this film! Now what could be better than that?

Thank you again for joining us on this special night. I hope that you enjoyed the evening and left with a greater appreciation of the work we do in your community. Please mark your calendar for next year for our 3rd Annual Mentors for Kids' Sake dinner and auction on October 4, 2007.

Dear Lindsey:

We are writing to sincerely thank you and the folks at The Bay & WTSN for your diligent efforts with the Caring & Sharing Food Drive. Because of superb community response to your broadcasts, Operation Blessing received over 1,400 lbs of non-perishable food items and \$1,000 worth of grocery gift cards to Hannafords. Having been personally there at the pick-up site, I was very impressed with the excellence in planning and execution of this event. We look forward to this Drive all year long.

There will always be among us, those who need a helping hand or an encouraging word when their world appears to be falling apart. Operation Blessing is the organization that people are so often referred to, when all other options have been exhausted and conditions are in a state of crisis. The food related contributions are already beginning to be used to help provide basic needs for some of the those who are struggling among us.

Dear Lindsey,

This letter gratefully acknowledges you, your radio station and all who donated and worked to make this years Caring and Sharing Food Drive in November so successful. The 30 very large boxes of food were much needed by Footprints Food Pantry. Thank you so very much for asking us to join you again this year in your special event. Also a big thank you for the gift cards for \$320.00 dollars to Hannaford. We will put them to good use with Christmas dinners coming up soon.

We are still getting a lot of clients coming to the pantry, new ones every week. November and December are always very busy months for us, for we need to get food ready for special dinners as well as regular food for each client. We gave out 56 special Thanksgiving dinners and weekly food to 64 clients this year for a total of 90 adults and 52 children. In 2005 we served a total of 4642 people in our area. We are up to 4420 this year and have 5 more Wednesdays to go in 2006.

Members of the community donate to us every week, but it is not always enough to keep ahead of the demand. The bad weather on May 13<sup>th</sup> at the Postal food Drive this year really hurt our food supply. Your donation will help us so much to provide for all that need a helping hand in our community.

Again, please except our sinecure thanks for your support of Footprints.

Dear Rick,

Santa Claus may reside at the North Pole, but we at The Homemakers know that his true spirit is found in people like all of you at WTSN and WBYY!

Thank you for helping to make The Homemakers Health Services' Holiday Basket project a success. Through Sharing and Caring we received 27 boxes of food and other non-perishable items.

With your help, we plan to deliver more than 250 food and gift baskets to elderly and disabled persons in need throughout Strafford County. This additional food will certainly be a blessing to these people, many of whom must choose between purchasing food or paying for other necessities such as vital medication or heating oil.

Once again, thank you for sharing the spirit of this Holiday Season with others.

Sincerely,

Claudette Boutin, RN Chief Executive Officer

P.S. Wishing all of you a healthy and happy Thanksgiving!

Attn: Lindsey re: Caring and Sharing

To our Friends at The Bay, WTSN and the community,

I just wanted to send a heartfelt thank you for the great work and all the food donations A Safe Place received this year through the 'Caring and Sharing' program.

Because of 'Caring and Sharing' and everyone involved, we were able to provide holiday dinners to over 30 families as well as stock the pantry in all of our locations. All the donations we receive were distributed to best assist those in need.

Through our 3 offices in Portsmouth, Rochester and Salem as well as our confidential shelter location A Safe Place provides an array of domestic abuse services to over 47 towns in Rockingham and Strafford counties.

The difficulty for many victims of domestic violence is meeting basic needs. This can influence their ability to break free of an abusive partner. Financial dependence can be a major challenge for them. Thus, all donations do make a difference and empowers people to take back their lives, giving them 'a sign of hope'!

Thank you once again for joining us as we strive to break the cycle of domestic abuse.

I hope this finds you all well.

Dear Rick:

This year's Caring and Sharing Food Drive sponsored by WTSN and The Bay 98.7 was fantastic (as usual)!

Hard to believe, but this annual event gets bigger and better every year.

I know the planning, coordination, logistics, sponsor solicitation, staff and volunteer assignments, and recruitment of recipient organizations is no walk in the park, but your folks pull it off seamlessly and effortlessly, and they make it fun and enjoyable to boot!

Gratitude and appreciation is extended to all, and extra special thanks to Lindsey and Ian for being our point persons and oh so supportive of all that we do.

Your hard work and the generosity of your sponsors and listeners has allowed us to serve over 300 families who needed some help to get through a difficult period in their lives.

Thanks for everything!

Dear Jeff,

I wasn't sure who to address this letter to at the station. I knew if I sent it to your care you'd see it reached the appropriate person. I love the addition of showcasing foodrelated businesses to the NH Chronicle Show. The restaurant keeps me busy and I don't get out to visit the surrounding areas often. Thanks to Comcast, I dvr NH Chronicle every week and watch it when I get home after work. It's been a great resource for me. I recently saw the show featuring the Sausage Store in Hillsborough and instantly became a new customer. Keep up the great work showcasing all the wonderful people, places and things food-related NH has to offer.

Mr. Jeff Bartlett, General Manager WMUR-TV 100 South Commercial Street Manchester, NH 03801

Dear Mr. Bartlett:

When we count our blessings, we count you twice!

On behalf of The Homemakers Health Services' Board of Directors, our staff, our volunteers, and especially the people we serve, thank you for your commitment to the community.

It truly has been an honor to have been selected as the 2007 Champion in Action in the area of elder support. There is no doubt that this award and the resources of both WMUR and Citizens Bank have made a positive, meaningful and lasting impact on our organization.

Both your financial support and your support in helping us to raise public awareness about home health, home support and adult day care services are greatly appreciated.

Seeing the public service announcements and the featured segments about our organization on WMUR has definitely helped to educate the New Hampshire community about home health care. As a direct result of the public service announcements and televised segments, we have been able to assist numerous people who have inquiries about home heath services provided in New Hampshire and other states as well!

Following is just one of many inquiries:

"I am writing you as a start to ease my mind and to assist my mother-in-law. My mother in-law is 65 and is moving her 85 year young mother into her home. I saw your story on the News 9 and thought you might be able to point me in the right direction. I am looking for some advice on services they might need. They live in Billerica MA. On the site I saw you help NH residents ....do you know of any services that are trustworthy? Or any advice is helpful and greatly appreciated."

Mr. Jeff Bartlett April 11, 2007 Page 2

One of the greatest benefits of our Agency being spotlighted through this program however, is that it has increased our staff morale and given everyone here a sense of pride, value and worth.

As you probably know, the majority of people who work in the nonprofit arena do so, not for the financial benefits, but because they want to make a difference in our community. Try as we may here to constantly let our staff know that what they are doing is truly valued by individuals and the community, watching one of the WMUR segments highlighting our services and the positive feedback from members of the community have validated for all of us that we are making a difference. This was probably the greatest unexpected gift we've received.

Please extend our special thanks to Sherry Nannis and Alesha McDevitt for all of their expertise and assistance to make this honor such a pleasurable and beneficial experience for all of us here at The Homemakers.

Much thanks also to Josh Davis, Kevin Flynn and the videographers for their expertise, as well as for making the filming of our three segments both enjoyable and gratifying.

Once again, thank you for your continued support and commitment to the community. Being selected as the 2007 Champion in Action in the area of elder support is an honor all of us here at The Homemakers Health Services will cherish for years to come.

Sincerely,

Claudette Boutin, RN Chief Executive Officer

P.S. Wishing you good health and continued success in all your endeavors.

Mr. Jeff Bartlett President & General Manager WMUR-TV PO Box 9 Manchester, NH 03105-0009

Dear Jeff:

On behalf of the Ad Council's Board of Directors, I would like to thank you for WMUR-TV's continued support of our PSAs. In 2005, your station donated valuable and substantial airtime to the Ad Council's PSAs, demonstrating your commitment to public service and the well-being of your viewers.

In appreciation, we have shed light on your generosity by sharing your wonderful support with Congressmember Bradley. (Please find enclosed a copy of the letter we mailed to Congressmember Bradley on your behalf, highlighting your support of the Ad Council's campaigns.) This is one small gesture we do every year to thank those select TV stations who have demonstrated an exemplary commitment to our PSAs.

We are happy to report that in 2005, the media--including TV, cable, radio, newspaper, magazine, online, outdoor and alternative--donated an unprecedented \$1.83 billion in time and space to our campaigns. It is because of the generosity of stations such as WMUR, that the Ad Council has been able to raise awareness, change behaviors and ultimately, save lives.

Moreover, broadcasters such as yourself allow the Ad Council to communicate critical messages to the American people during our country's times of need. From our time-sensitive messages we distributed immediately after Hurricane Katrina and Rita to our more recent PSAs to help hurricane victims distressed by mental health problems and housing discrimination, your support has been vital.

For over 60 years, the Ad Council's mission has been to leverage the power of the media and advertising communities to create positive social change. WMUR's support and dedication to public service makes that possible and we are extremely grateful.

Should you have any questions or would like the Ad Council to send letters to any other Congressmembers in WMUR's viewing area, please contact Danna Lombardi, the Ad Council's Director of Nonprofit and Government Affairs at dlombardi@adcouncil.org or (212) 984-1905.

Re: "Commitment 2006"

Dear Sir/Madam:

I am writing to compliment your station on its "Commitment 2006" coverage of the state races. The combination of brief interviews of the candidates on a single issue, plus the Sunday morning news show coverage, has been excellent – i.e., dignified, respectful, focused on the issues, etc.

In this day and age of negative campaigning and focusing on the "sound-bite," your stations coverage so far this year has been refreshing.

Keep up the good work.

Micholas K. Holmes

October 23, 2006

Dear WMUR Staff:

Thank you for your extensive broadcast of the funeral of Officer Michael Briggs and for your exemplary coverage of the unfortunate events leading up to the funeral

I was working on Saturday and was not able to see the procession or attend the funeral in person. My co-workers and I tuned into Channel 9 were able to watch some of your broadcast during the day. I also recorded several hours of your coverage and watched it again when I got home that night.

The murder of Michael Briggs was gruesome and horrible and left the City reeling from shock and sorrow. Your all day broadcast went a long way in helping us process the ordeal, grieve together and begin to heal.

Your broadcasters, reporters and Mark Fowke did an outstanding job on Saturday (and all week long) honoring Michael Briggs and the whole law enforcement community. I don't know if you lost revenue by doing so, but you gained my gratitude and future allegiance to your station.

Thank very, very much.

Sincerely,

A Manchester Citizen

Dear Mr. Vrees:

I wanted to thank your television station for recently providing valuable assistance to the New Hampshire State Police.

On March 29, 2006 a motor vehicle crash occurred on I-95 in North Hampton, NH. The crash scene was quite large, approximately ¾ of a mile, and resulted in the death of one of the drivers. A critical component of this on-scene investigation included thorough photography of the extensive scene.

The NH State Police helicopter was requested but unavailable due to a prior assignment. Shortly thereafter a helicopter from WCVB-TV Channel 5 arrived on scene. A camera technician from WMUR Channel 9 had also arrived and assisted me in contacting your Assignment Manager, David Sakowich. He put me in touch WCVB's newsroom. I explained my need to obtain photographs of the huge scene to WCVB TV. Their helicopter staff videotaped the scene for several minutes. Channel 5 then performed a live feed to WMUR, which taped it and transferred the final product on to a VHS tape for me. All of this was occurring while both television stations were broadcasting the noon news, and we were trying to clear the crash scene as soon as possible. The videotape of the crash scene was extremely beneficial in the investigation of this crash.

On behalf of the NH State Police may I extend my appreciation of your station's eagerness to assist us in this incident.

It is through the philanthropy of corporate sponsors like WMUR-TV ABC 9 that significant monies for cancer research and patient services at Norris Cotton Cancer Center are raised. Our goal this year is to raise \$1,000,000 for cancer research and because of your help we are well on our way!

We invite you to join us on Saturday, July 8, to witness The Prouty for yourself. It is truly an inspirational event to behold. Bikers, walkers, survivors and volunteers all gather together for a common cause. As a corporate donor you are at the core of this event and we hope you will join us.

On behalf of March of Dimes, I want to thank you, Scott and other staff members who promoted the March of Dimes WalkAmerica campaign. It was particularly remarkable how you were able to have companies tag onto our PSA's (not sure if that is the correct terminology) That was a great idea. We will be thanking them for that as well.

Sherry WMUR 's involvement was outstanding. We are sure that the PSA's with Scott and Dr. Lynch boosted our walker numbers tremendously. With your help we have raised over \$315,000 to help save babies lives.

We have a lot of work to do to find out why so many babies are born too soon, but we are confident that we will find the answers. Thank you so very much for your support.

We look forward to working with you again.

Have a fun summer!
